Retreat

Gentlemen:

Attached are

- (i) The Program for the 10th MUF-MECHS
- (ii) An updated list of the Steering Committee members
- (iii) Directions to Geneva Center
- (iv) Current list of reservations, by school

- \* Please make additional copies of (i) and (iii), and distribute to participants. If there is an error or an absolute necessity to change the program, please let me know immediately (yesterday, preferably!). I will bring a number of copies with me to the meeting.
- \* If you have not already sent your check, please do so or bring with you to the meeting (\$50, cabin; \$60, lodge-- checks made out to the Geneva Center)
- \* Be sure to bring volleyballs, frisbees, softballs and gloves, soccer balls, et al, for use during R & R on Friday.
- \* We are very tight on space for sleeping. At this point, we have left only 6 lodge slots, and absolutely no cabin space. (A sleeping bag under the stars is possible, I suppose, but we still need to know about numbers for food.)

See you next Thursday. Let's hope for good weather, since the meeting this year is quite early!
